

## hi-Sun is a beach towel, a backpack, a speaker

hi Sun is the perfect solution for the beach, camping, sailing or wherever your desire of freedom brings you, with all the comfort and efficacy possible. It doesn't take up much space and it permits you to lay down without getting dirty, dry off in the sun and listen to your favourite playlist with your iPhone®, iPod® or any other player that has a 3.5mm universal jack.

All of this is possible with its powerful removable speakers (for washing), incorporated in the same towel.

The speakers are amplified and work thanks to the long lasting lithium battery (rechargeable through an integrated USB port), which will make you listen to your music for hours.

hi-Sun is a multipurpose product, in fact, to put it away, it simply transforms itself into a very comfortable backpack.

Dimension: 180 cm x 80 cm

Material: 100% cotton

Speaker power: 2W/4Ω X 2

Frequency response: 100HZ---20KHZ

Output: 4.2V/250MA
